Hi Rick,
Here is the information back from Kim, I didn't tell her that the team will be leaving Dillingham on Friday at 130PM so disregard the information about lodging in Dillingham. I will get back to her and let her know the plan for Dillingham so they don't make any extra plans for you all.

Anyhow, the boat charter is important, the cost is \$2000. There will be room for Palmer. Assuming you all will need to share the cost of this, so I am imagining that I will need to ask Kim about giving Luki 6 checks.

You also are going to need to hire a translator. I will let you know what the cost will be as soon as I find out. That won't be able to go on your TAs.

The lodging information for Koliganek is attached, someone should call for all of you and make reservations for the night of June 2nd.

Thanks! Tami

Tami,

First, yes the jet boat can accomodate one more person. I believe it holds 9 with the driver. Besides Luki, he will have Bobby Andrew travel with him to assist. Cost of boat charter including lunch is \$2,000.

I talked with Luki and planned the following:

You should contact Denina Air 1-866-995-8294 and they can move you from Anchorage to Iliamna, Iliamna to Ekwok.

June 2 arrive Ekwok by 9:30 AM hold community meeting
Hold community meeting in Ekwok
Leave by jet boat by 12 noon for New Stuyahok

Arrive New Stuyahok by 12:30 PM and start community meeting by 12:45 PM
Leave New Stuyahok by 3:00 PM and yes, we will need a translator. We will try and contact Margie Hastings to find out the cost.

Leave New Stuyahok by jet boat no later than 3:20 PM and travel into the Mulchatna and Koktuli Rivers. Stop at Luki's cabin and eat.

Arrive Koliganek by 7 PM and hold community meeting by 7:30 PM. Overnight in Koliganek. Contact the B&B's

Nick Johnson
Cody McHann

On the 3rd for the flight to Dillingham, suggest you call Shannon's Air 842-2735 or Bristol Bay Air 842-2227 for the flight from Koliganek to Dillingham. Both airlines have a van and can bring you to the Bristol Inn 842-2240 for lodging.

I am cc'ing each of the communities to make sure that they have a heads up on the tentative plan. All of this will be weather permitting.

Kim
